Enthusiastic Frontend Web Developer with a solid foundation, Passionate about crafting responsive, user-friendly web interfaces. Continuously improving skills through hands-on projects and a growth-oriented mindset.

---

## EDUCATION:

Frontend Web Development Course – Saylani Mass IT Training (SMIT) (Ongoing)  
College Studies – BAMM PECHS Govt. Collage (Ongoing)

---

## PROJECTS & PRACTICAL EXPERIENCE:

### Tevily – Travel & Tour Website — (Personal Project)

A visually engaging and responsive travel website created using **HTML**, **CSS**, and **Bootstrap**. Designed to promote travel destinations with a clean layout, vibrant imagery, and smooth user experience. Integrated **CSS-based animations** to enhance visual appeal and bring interactivity. Ensured mobile-friendliness and easy navigation across all devices.

### Bistro Bliss – (Presentation)

A visually appealing and responsive food-themed website built using **HTML**, **CSS**, and **Bootstrap**. Designed to showcase restaurant offerings with an elegant layout, vibrant imagery, and easy navigation. Ensured a seamless user experience across all devices by implementing Bootstrap's responsive grid system.
